

## **EXPERIENCE ANTARCTICA!**

PAE is a leader in providing worldwide solutions for base operations, logistics, construction, airfield operations, and personnel placement.

PAE is currently seeking Airport Firefighters/EMT to support the Antarctic Support Contract and the National Science Foundation's United States Antarctic Program.

We have a current opening for ARFF certified firefighters with EMT, to deploy to McMurdo or South Pole Antarctic research stations for various periods of time. Summer season generally begins in August or October/early November and runs through the following February. Winter-over contracts generally begin in February and run through October. These contract times are flexible and changes may be made based on business needs.

Please apply at [https://pae.wd1.myworkdayjobs.com/en-US/PAE\\_Careers/job/OCONUS-Antarctica-McMurdo-Station/Firefighter\\_R0018710-1](https://pae.wd1.myworkdayjobs.com/en-US/PAE_Careers/job/OCONUS-Antarctica-McMurdo-Station/Firefighter_R0018710-1)
