Don,

I am George Cannode, CMSgt, retired. I served in the fire protection career field from 1968 until I retired in September, 1988. I held various positions in the fire protection field starting as a tailboard jockey at Kunsan AB, Korea and was assigned to various locations including: Ramstien AB, Germany, Nellis AFB, Nevada, Galena Airport, Alaska, Bitburg AB, Germany, Chanute AFB, Illinois (Deputy and Fire Chief), Ramstien AB, Germany (Deputy and Fire Chief), Cheyenne Mountain (NORAD), Colorado (Fire Chief) in my 20 year career. As a civilian, I also worked as the fire protection specialist for the Air Force Contract Management Division on the B-1 and B-2 projects before transferring to the Department of Energy as a fire protection specialist. I retired from the Department of Energy on December 31, 2003 with a combined total of 35 years serving this great country.

Please add my name to the Air Force Fire Chiefs Pioneers.
