Don, my name is Clyde Rhodes and I was the fire chief of feamcom afb fire dept that John Hampton referred to in his article on website http://www.dodfire.com/Retirees/dl/QNN_vol2_03.htm. You know I left the fire dept in 1957 and retrained in ground radar maintenance and lost track of all my old fire department buddies from that era. I remember John well also Lewis L. Lemmons who was my assistant fire chief. If you have an email addresses of John that you can provide me would appreciate it. I surely would love to establish contact with some of the old buddies as we are all getting older Sincerely.

Clyde w.. Rhodes
