Subject: USAF Pioneers

I am Ronald L. Stearman, retired MSgt. I served in the Air Force from 12 Oct 61 thru 31 July 1984. I was the Fire Chief at RAF Greenham Common and RAF Welford, England from Jun 1979 thru Jun 1983 during the bed down of the Ground Launched Cruise Missles. I am currently an Asst. Fire Chief of Operations at the Lockheed Martin final assembly plant for the F-16 and soon to be F-35, located in Fort Worth, Texas.
